Do you know a child or family in need? Refer them to EASS by having them call 717-733-0345 to register. Children ages 15 and under are included in the Holiday Exchange Program. Children must be in the Ephrata or Cocalico School system.

How Holiday Exchange Works

A family in need will complete a “wish-list” for children in their home by November 15, 2022. EASS will match the family with a donor. Then donors are provided the wish-list and contact information for the family. Donors directly reach out to the family to arrange for pick up or delivery dates and times.
